

Altofts Juniors AFC Mission Statement

Altofts Juniors Football Club – Where Pride, Passion & Play Come Together

Nestled in the heart of our proud village, Altofts Juniors Football Club stands as a shining example of community spirit, sporting heritage, and opportunity for all. With deep roots in local history, the club has grown from humble beginnings into a thriving, inclusive space where every child is welcomed, valued, and encouraged to flourish.

At Altofts Juniors, our values are simple but powerful: fun, enjoyment, and development. We believe that football should be a joyful experience—where children feel safe, supported, and inspired to learn, play, and grow, both on and off the pitch.

Our club celebrates diversity in all its forms. We're proud to offer a place where players from every background, ability, and walk of life can come together, form friendships, and be part of something special.

With passionate coaches, dedicated volunteers, and a strong connection to the village and its traditions, we never lose sight of what makes us who we are. While we're focused on developing young talent, teaching skills, and fostering teamwork, we also know the importance of keeping the game fun and accessible.

Whether your child dreams of becoming the next football star or simply wants to enjoy the game with friends in a safe, supportive setting, Altofts Juniors Football Club is the place to be.

Proud of our past. Excited for our future. Always here for our community
